Brighter Employment Picture At Local Plants

GC Steel Up To 4625;
General, American Steel
Return To 5-Day Weeks

Employment in the Quad-Cities is stabilizing at an increased level, a survey of major industrial plants showed today.

Granite City Steel Co. increased its employment to 4625 last week from a low of 3646 last November; Dow Metal Products Co. has recalled 60 workers; American Steel Foundries and General Steel Industries, Inc., have returned to five-day work weeks; Union Steel Refining Co. is working three shifts five and six days a week, and A. O. Smith Corp. expects no layoffs prior to the normal July shutdown for vacations and model changeover.

"Employment at Granite City Steel has risen with the increasing demand for steel and is now back at a fairly high level," Lyle F. Gulley, vice-president in charge of operations said today.

The 4625 employment total last week does not include others on the payroll but on vacation or off due to illness. The low point in the steel recession was hit last November when 3646 persons were working at the plant.

College Students Hired

"The company has hired a limited number of college students to work this summer as replacements for regular employees on vacation," Gulley said, adding that six of the seven open health furnaces are producing steel at present.

The plant hit a peak of 5000 employees several years ago.

A gradual decline to 50 to 60 Dow Metal employees is underway and the plant is operating with its normal force of 775; while Union Steel Refining Co. employment totals 365, slightly above the level when the plant in operation on three shifts five and six days a week.

The plant will close for a two-week vacation period starting July 3, a company spokesman said.

Undergo Surgery

The following are recovering at St. Elizabeth's hospital which they underwent since Thursday: Carlos Davis, East St. Louis; Stelle Wilgate, 112 Douglas street, Venice; Glenda Callender, 1900 Greenwood street, Madison; Danny Graham, 2200 Hodges avenue; Lucille Berry, 2100 Richmond avenue; Howard Carson Jr., Troy.

825 At American Steel

American Steel is expecting its 825 workers to return to the plant on one shift for five days a week to assist with the annual two-week vacation shutdown set for June 26. The plant had been operating on three and four days and several weeks were closed down entirely. An officials said today the number of orders for rail road equipment has been increasing and the outlook is good after the vacation shutdown.

The General Steel work force is about 1600, which is up slightly over several months ago.

At A. O. Smith, a study is underway today to outline a schedule for recalls after the annual summer vacation changeover. The present employment is 428.

NEW DEPUTY STATE FIRE MARSHAL

Marvin Tedder of Granite City, who received his commission last week.

Marvin Tedder Named Deputy Fire Marshal

Appointment of Marvin Tedder, former Granite City fireman, as deputy state fire marshal to serve Madison, Bond and Jersey counties was announced last Thursday afternoon at Springfield.

Tedder, 33, who lives at 2326 Iowa street and operates Tedder's Christian Book Store, 2445 East 24th street, is the first Quad-Cityer to hold the office, although another former Granite City fireman, Elmer Forcade, had served as an instructor for the state fire marshals office.

Upon his return from Springfield Thursday, when he received his badge and certificate of office, Tedder told the Press-Record he will maintain his deputy position at his home and his duties will consist of investigations and inspections to be made at the request of municipal or county officials.

"I'll be working with all fire departments in the three counties whenever called upon," he explained.

Tedder served on the Granite City fire department for 10 years from 1940 to 1958, retiring due to a heart ailment. He and his wife reside at the Iowa street address and his daughter, the former Patsy Ruth Tedder, is the wife of Rev. John Crutcher of this city.

11 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

May Was Area's Wettest Month In Four Years

Last month, with a total of 9.31 inches of rain, was the wettest month in the Quad-Cities in four years since June 1957, when 12.78 inches of precipitation was recorded.

Rain in May, recorded at the gauge maintained by the U.S. Army Corps of Engineers at the Chain of Rocks canal locks, fell on 10 days, with 7.79 inches falling in a five-day span — May 3 through 7.

Heaviest rainfall was recorded for Sunday, May 7, when 3.07 inches fell, flooding the area. It followed rainfalls of .77 inch recorded on May 5, 1.25 inch on May 6 and 1.53 inch on May 7. The rain gauge is read at 8 a.m. each day. There also was 1.53 inch recorded on May 9, which fell on May 8.

Other rain last month included .95 inch on May 18, .40 inch on May 26 and .17 inch on May 15. Traces of rain (less than a hundredth of an inch) were recorded on May 16 and 21.

The Quad-Cities' total rainfall for the year now stands at 20.75 inches, or nearly 6 inches above normal for the first five months of the year.

A breakdown of the area's precipitation by months follows: January, .47 inch; February, 2.74 inches; March, 4.96 inches; April, 1.25 inch; May, 9.31 inch. The year's record is 48.1 inches.

20 Persons Injured In 29 Accidents Here On Weekend

Injuries were suffered by 20 persons in 29 traffic accidents reported over the weekend to local, county and state authorities, in one crash on N. 10th road, six teenagers were hurt, and in another mishap a young bicyclist suffered a fractured ankle.

Press-Record Staff Photographer

Of the 29 weekend crashes, 10 occurred in a single 24-hour period in Granite City on Friday. A fracture to the neck and a fractured ankle were suffered Saturday morning by bicyclist Walter Lee Schmidt, 11, who was involved in an accident with an auto at Edwards street and Bromley avenue. The boy, a son of Mr. and Mrs. Walter Schmidt, 3107 Edwardsville road, was taken by ambulance to St. Elizabeth Hospital and was admitted.

Police said he was riding south on Bromley in private auto, being operated on Edwards street by Henry B. Talbot, 50, of 13 Hermosa lane, Winnetka. 20 Persons Injured In 29 Accidents Here On Weekend

Injuries were suffered by 20 persons in 29 traffic accidents reported over the weekend to local, county and state authorities, in one crash on N. 10th road, six teenagers were hurt, and in another mishap a young bicyclist suffered a fractured ankle.

Press-Record Staff Photographer

Of the 29 weekend crashes, 10 occurred in a single 24-hour period in Granite City on Friday. A fracture to the neck and a fractured ankle were suffered Saturday morning by bicyclist Walter Lee Schmidt, 11, who was involved in an accident with an auto at Edwards street and Bromley avenue. The boy, a son of Mr. and Mrs. Walter Schmidt, 3107 Edwardsville road, was taken by ambulance to St. Elizabeth Hospital and was admitted.

Police said he was riding south on Bromley in private auto, being operated on Edwards street by Henry B. Talbot, 50, of 13 Hermosa lane, Winnetka. A fracture to the neck and a fractured ankle were suffered Saturday morning by bicyclist Walter Lee Schmidt, 11, who was involved in an accident with an auto at Edwards street and Bromley avenue. The boy, a son of Mr. and Mrs. Walter Schmidt, 3107 Edwardsville road, was taken by ambulance to St. Elizabeth Hospital and was admitted.

affirmative or where a vote greater than a simple majority of the council might be required by law.

"There are many other duties prescribed for the mayor throughout the Illinois statutes. The mayor under the aldermanic form in Illinois has considerable power and can exercise his authority as a strong mayor. In addition to authority derived from statutes, the mayor is able to draw on the power that comes from the electoral support of a city-wide constituency. As a strong mayor, the office can be even further developed as a focal point of leadership and control."

Full-Time Job Not Specified

"Granite City's mayor has been in office for 12 years and has just been reelected for a fourth term. While the question of when and under what circum-

stances the mayorality becomes a full-time position is not specified by statute, the \$9000 per year salary of the mayor indicates that he is expected to devote a considerable amount of his time to city affairs.

"Whether a mayor is or is not a strong mayor in any one Illinois community depends largely upon personalities and local tradition in each case. The mayor has the veto power and is charged with the responsibility of enforcing all laws. This would seem to thrust upon him a responsibility greater than any other elected city executive and would give to him supervisory tasks beyond all other city officials."

"He also appoints with the consent of the council all officers and employees not otherwise provided for by law and may remove them from office. The council can only disapprove of a removal by a two-thirds vote."

"In appointments, a mayor can make temporary appointments to any office. He has the power to veto any ordinance, resolution or motion, giving his reasons in writing. The council can pass an ordinance over a mayor's veto—with a two-thirds vote."

"The Mayor's Aim"

A mayor's aim in forming an aggressive program for the future development of the city should be for the improvement of the city as a whole, and not for the benefit of specific individuals, groups or areas.

"This is a statement of the ideal, and it is always difficult to accomplish because of the many pressures and forces which shape the political life of a community."

Some approximation of the ideal has been achieved in Granite City; however, it would appear that through the mayor's office considerably more leadership could be exercised in the councils and in the community than seems to have been the case in the past.

"In the case of this survey, there has been considerable opportunity to observe the mayor at work and to review the operation of the mayor's office. Discussion with persons connected with the city and others unassociated in any way have helped build this impression of this important phase of the governmental organization."

There are two particular areas of the mayor's administrative and leadership function which we wish to discuss: the day-to-day direction of city operations and the relations with the council, various boards and commissions.

"In practice, these two areas of leadership and direction overlap and are mutually interrelated. What is done in one area affects the other and ultimately the mayor's total community leadership role."

Strengthen Day-To-Day Work

The handling of day-to-day operations of the mayor's duties can be strengthened. There should be more direct and detailed supervision of the work of the department heads.

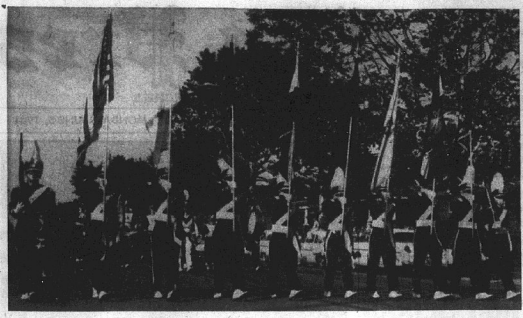

"The work of the city gets done and generally gets done fairly well. But, there should be more planning and programming of work. The mayor should frequently drive around with his department heads who operate in the field to familiarize himself with their problems, and to gain the knowledge that comes from personal inspections."

"The mayor should hold staff meetings in order to coordinate the work of the department heads, to review in advance the council agenda, to determine in a continuous manner the informed views of operating and staff officials on current city problems and activities about which the mayor must give policy decisions and administrative supervision."

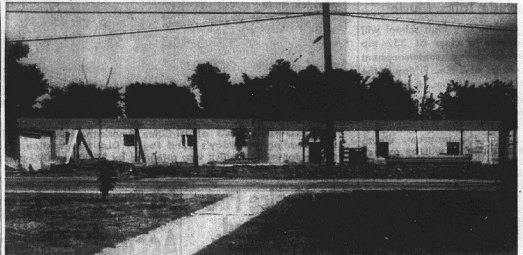

Major Inspections Needed

"Regular inspections, frequent joining of operating officials in the field and regular meetings with staff also provide the mayor with additional information about what is on the 'collective mind' of the people of Granite City."

"There are, of course, problems in effecting this type of relationship with the operating departments. There are too many officials reporting directly to the

Crash On Pontoon Road

Involved in a collision on Pontoon road near the Alton & Southern Railroad crossing east of the Granite City limits Thursday afternoon were autos driven by Nannie Howard, 33, of 4281 Breckenridge lane, and Ann Stal, 49, of 2117 Lindell boulevard. County authorities said the Stal auto was travelling on Pontoon road, while the Howard auto was being backed onto the roadway from a driveway. No injuries were listed.

Minor Fire Alarm

Firemen from the West Granite station were called Thursday to the home of Tom Wofford, 2224 Bryan avenue, where burning rubbish had touched off a frame shed at the rear of the house. Firemen said the owner extinguished the small blaze as they arrived on the scene. Damage was set at \$10.

State Police Speed Check Unit In Area

A state police squad car with a speed indicator mounted on the top will travel along highways in the Quad-Cities area from today to Friday to allow motorists to check speedometers.

State Trooper Leonard J. Miller, Granite City, will operate the car. Miller said the indicator is mounted so that it can be read by motorists approaching the squad car from the rear, and driver's can compare speedometer readings.

He said "It's not likely that the indicator is wrong, since it is calibrated at least once a day by radar checks."

The car will travel on all primary highways in District 11 within the next few months, he said.

Fields On County Board of Review; Replaces Bellcoff

Arthur "Pete" Fields, 212 Abbott street, Venice, a former member of the Madison county Board of Review, was named by County Judge Michael Kinney late Friday afternoon to a two-year term as Democratic member of the board. The three-member body certifies property assessments for taxation.

Fields previously served on the board five years, resigning in 1954 midway in his third two-year term. He was succeeded then by Walter Norin, Granite City alderman.

With Chairman Gus Haller of Wood River and Member Charles A. Rook of Godfrey present, the Madison county Board of Review held a yearly organization session Thursday at Edwardsville.

Haller serves as review board chairman by virtue of his chairmanship of the Madison county Board of Supervisors, and Rook, the Republican review board member, is in the middle year of a two-year appointment. The latest two-year term of John N. Bellcoff, Madison, Democratic member of the board, expired at the end of 1960.

In the meeting Thursday preparatory to launching the new year's property assessment equalization hearings, the board again named Leo J. Struff, former Alton mayor, as clerk of the Board of Review.

Elected to his 20th consecutive term as chairman of the county board at its organization meeting in April, Haller is beginning his 32nd year with the Board of Review. He served as a member in 1914 and again in 1918-19 by appointment of the county judge.

Dr. See Called As Hearing On SIU Is Resumed

Two Southern Illinois University staff members were among those called to testify as a state legislative subcommittee resumed hearings on SIU this morning. They were Robert Gallego, business manager of the Carbondale campus, and Dr. Harold See, research professor and formerly vice-president in charge of the Southern Illinois campus.

Announcement that they were being summoned was made by State Rep. Ralph Stephenson (R), Moline, who said testimony will be taken under oath and all comments recorded on tape. He said other witnesses have been called, but did not disclose their names.

The hearing began and was recessed May 26 after a day of testimony. It was called after complaints from residents ousted from the new university campus east of the Quad-Cities, and a series of Chicago newspaper articles critical of SIU and its actions. Discrepancies in the series were conceded by the writer, and observers at the university officials apparently had refuted the allegations heard.

A controversy arose last year over why Dr. See had been shifted from his post at the new campus, but he issued a statement that it was his decision to resign. Foreign travel to enable him to study methods at other universities was announced, but he has not made the trip.

In coming to the local campus, President D. W. Morris said he was assuming interim direction of the campus following Dr. See's research professorship appointment. Northwestern University faculty members last month named three from the faculty to consult with Dr. Morris on selection of a successor to Dr. See.

Homicide Verdict In Shooting Of Wm. Smith
A corner jury returned a verdict of homicide in the shooting of William "Bad Eye Bill" Smith, Venice tavern operator, who died of gunshot wounds in the heart and left lung from a small caliber bullet fired from a gun by Thomas Henry Lee, in an exchange of shots outside the 718 Club on May 14.

The inquest, conducted Friday by Deputy Coroner Francis Lahey, recommended Lee be held for action of the grand jury following testimony by Charles Smith, son of the slain man, and Donald Twolin, co-operator of the nearby 700 Club who said he saw a fight.

The grand jury in its May session freed Lee of all homicide charge on grounds that self defense would be difficult to disprove.

The inquest ruling is not binding on the grand jury, Assistant State's Atty. John Clift said. "The man was cleared by the grand jury."

Applicants For County Building Post Interviewed

Members of the county board's zoning committee met Thursday afternoon at Edwardsville to select interviewing seven applicants for the post of building official for the county. Names of the applicants are not being disclosed at present.

The interviews will be continued since the deadline for accepting applications is next Wednesday.

A recommendation for the inspection office is to be made to the county board at its next meeting. Alton May of Alton township is chairman of the committee.

C. Of C. Board To Meet Tomorrow Evening

Paul H. Lichtenberger, president of the Tri-Cities Chamber of Commerce, announced today that the regular meeting of the board of directors will be held at 6 p.m. tomorrow at the Rose Bowl restaurant.

In advance of the director meeting, the Congressional Action committee, headed by G. H. Sternberg, will meet at 4:45 p.m. at the restaurant to hear reports from six subcommittee chairmen.

City Hopes To Solve Mosquito Problem

City officials may call for an analysis of chemical used in insect spraying operations to determine what can be done to rid the city of mosquitoes, Mayor Davis said Friday.

"We've considered around-the-clock operations of the fogging machines, but with frequent rain it wouldn't do too much good. Also there still are a lot of ditches and low places filled with water."

The mayor said it is hoped a solution can be found, as many complaints are being received concerning the onslaught of mosquitoes.

Butler Finalist For National Speech Contest

Robert Butler Jr., 16-year-old sophomore at Granite City high school, was named finalist in the Optima National Boys' oratorical contest in regional competition Saturday at the Statler Hotel, St. Louis.

Butler, coached by his father who is a speech teacher at St. Louis, was one of over nine other boys from eight states.

Winner of three earlier contests, he will advance to the national contest at Las Vegas, Nev., June 23, and compete with other regional winners.

For his winning effort Saturday, he received a wrist watch and will get an all-expense paid trip to Las Vegas. Top winner of the national event will receive a \$1000 scholarship to the college of his choice and three runners-up will receive an award of \$500 each.

Butler began his winning words when he was a local contest. Sponsored by the Daybreak Optimist Club, he advanced to the district contest at Kirkwood and Columbia, Mo., and emerged winner in both.

His subject was "Optimism—Ingredient for True Leadership," a five-minute address in which he was judged on four major points—personal qualities, material organization, delivery and presentation and overall effectiveness.

Butler also has gained honorable mention in a national writing contest for an original one-act play entitled "The Preposterous Predicament of Princess Pines," a satire on children's plays.

Street Dept. Paint Crews Working

Street department paint crews worked yesterday in downtown Granite City under the instruction of Mayor Davis to paint the cross walks and no-parking zones.

The project is about half completed and will be finished on another Sunday. Mayor Davis said the work is being done on Sundays to avoid traffic and parked vehicles.

Membership Drive For C. Of C. Set June 13-14

A meeting of membership campaign captains and captains will be held in the Tri-Cities Chamber of Commerce office at 3:30 p.m. Thursday to select prospect cards for the June 13-14 drive. It was announced today by Ralph A. Morris, chairman of the C. of C. membership committee.

The three majors and 15 captains are to confer with Morris on campaign plans and each captain is to select 30 prospect cards for his five-member team.

Vandals Smash Window

Vandals hurled a soda bottle through a second floor window at 2319 Illinois avenue Saturday night, smashing the window, damaging a venetian blind and sending a shower of glass over the floor, according to a report made Sunday afternoon to police by George Schumacher, 2311 Illinois avenue.

Pazia Testimony Leads To Prison For Stickup Man

Testimony Friday in St. Louis circuit court by Madison Police Sergeant Emmett Pazia led to the imprisonment of a St. Louis man who was nabbed outside Madison city limits on Feb. 24 along with two other men shortly after a grocery holdup in St. Louis.

Pazia was the key witness in the trial, giving positive identification of George C. Hooper, 21, of the 2700 block of South 10th street, St. Louis, as the driver of the getaway car, and testifying that the key Hooper had in his possession when arrested at the ignition and locks of the car.

Hooper, a parolee, was sentenced to 12 years in prison after a jury returned a verdict of guilty. A companion in the robbery, Gerald Daggett, 21, St. Louis, is serving a seven-year sentence for the crime. A third man, Leon J. Koester, 23, also of St. Louis, is awaiting trial.

Pazia spoke in the courtroom after Pazia gave chase of the car in his private auto after hearing a radio report from the St. Louis police department while preparing to go on duty.

The three men were rounded up between 13th and 14th streets on Madison avenue and halted the auto, where he started to get out of his car, the three men sped off.

He trailed the car, firing warning shots into the air, with the chase entering Granite City and ending in Madison. "Traffic congestion caused Pazia to lose track of the car and a search was made with Chief Barney Fraundorff, Sgt. Edward Knezovich and Pazia relocating the auto in the Cloverleaf addition.

County Deputy Sheriff William Thompson was summoned and was advised to go inside Eddie and Margie's tavern, 2000 Hillsidebrand avenue. Thompson returned with the Madison police officers and the men were taken to city jail, and held for St. Louis police.

Some \$1100 was found in the possession of the men, but only \$400 was obtained in the strip of Bart's Market, St. Louis, according to the owner.

Thompson and Knezovich in addition to Demos Nicholas, whose auto in the Cloverleaf addition was involved, and the driving privilege for Percy J. Wilkinson, 2519 Washington avenue, was suspended, also for reason of driving while intoxicated, for the announcement.

New Service Station Building To Be Unique

Plans for construction of a new type service station building at 18th street and Cleveland blvd. are being made by Charles "Bud" Johnson, operator of Bud's service station, 1420 Niedringhaus avenue.

Johnson, who will be affiliated with Sinclair Oil Co. when the move is made, said the new building will be situated on a vacant 290-foot by 140-foot lot and is to be 32 by 65 feet in size.

He said final plans are being reviewed this week and that the contract is to be let soon. Completion is expected to take 60 days, he said.

The structure will be of prefabricated steel which will be used in a new concept of design, implementing multi-colored panels with built-in windows and other exterior and interior decorator features.

It will contain three service areas, a display case, a storage room and rest rooms. Parking facilities are to be made available to 15 to 20 cars.

Four twin-type gasoline pumps are to be erected, he said. Johnson said the move was made to obtain additional space to add more services. Among them, he said, would be installation of auto air conditioning systems.

Johnson has been at the Niedringhaus and Grand location for nine years and is affiliated with Cities Service petroleum products. He also has wrecker service.

Questioning St. Louis Youth On GC Car Theft

Local detectives and the FBI are joining St. Louis authorities in questioning a teenage St. Louis youth who was found stripping a 1956 auto parked on a lot in St. Louis next to a 1961 auto that had been stolen from Woodrome Oldsmobile Co. here last Tuesday.

The youth has denied any knowledge of the 1961 auto from which the rear seat and hubcaps had been removed.

Chief of Detectives James R. Lower said he has asked the FBI to assist local police in the investigation to determine if the youth or a St. Louis gang had stolen the auto from the local auto agency.

Nursing Scholarship Interviews June 12

The state nursing scholarship program will be explained to interested students and parents by William E. Skadden, health educator of the staff of the Illinois Department of Public Welfare, in the office of Madison County Superintendent of Schools Wilbur Trimpie at the Edwardsville court house on Monday, June 12.

Mr. Skadden will meet with individuals or groups, either parents or students, between 9 a.m. and 4 p.m. Especially invited are high school seniors or graduates of recent date, or those who have been employed for several years in other fields but are still interested in a nursing career.

Instructions will be given for the scholarships offered by the Department of Public Welfare.

Value of the nursing scholarships is from \$200 to \$300 over a three-year period. Both men and women between the ages 17 and 35 who are high school graduates, residents of Illinois and American citizens may apply.

The scholarship plan is also open to students attending an approved school of nursing. Students must sign an agreement with the state welfare department that he or she will accept employment as a staff nurse in one of the state psychiatric hospitals or schools on the basis of one year of employment for each year the scholarship stipend was provided.

Optimist Club Sees Film On Dry Cleaning

Methods used by professional cleaners in removing stains and soiled areas from clothing were pointed out in a film presented at the Noonday Optimist Club meeting Thursday.

The movie, shown by Mrs. Marie Hampton, president of the Tri-Cities Dry Cleaners Association, dealt with the visit of a girls home economic class who witnessed the techniques on various fibers and materials.

The film also explained that chemical cleaners used in the cleaning do not penetrate the fiber, preventing shrinkage as the clothing never gets wet.

Following the film, Mrs. Hampton, who also is operator of Monarch Cleaners, announced that members of the local association will clean, free of charge, all United States flags owned by residents of the area in preparation for Flag Day, June 14. Deadline is June 12, she said.

Some members attended the meeting.

street by Henry Hunter, 53, of St. Louis. The cyclist was taken to St. Elizabeth Hospital by ambulance.

Girl, 3, Injured

A small, three-year-old girl who had gone to the neighborhood confectiory for candy was injured about 5:15 p.m. Friday in a mishap with an automobile at 18th street and Edison avenue.

Kathy Henry, daughter of Mrs. Betty Henry, 1412 Eighteenth street, was taken to the hospital by police to be treated for bruises to her left arm and leg. The officers were told by the motorist, Edward F. Repp, 47, of the YMCA, that he was going east on 18th street and making a left turn onto Edison avenue and believes he stopped in time to avoid hitting the child. Kathy was crossing Edison avenue and dropped to the pavement just as he stopped, the driver said.

2 Madison Youths Hurt

Auto crash victim George Schmitt, 19, of 1887 Edwardsville road, Madison, a passenger, remains in critical condition at St. Mary's Hospital, East St. Louis, suffering from a fractured collar bone and head injuries.

His companion, Gerald Stagner, 20, of 1920 Beckwith avenue, Madison, driver of the car, is reported in fair condition with head injuries.

The youths were hurt at 9:55 a.m. Thursday when their auto hit a dip in the roadway and went out of control, skidding on its top and sides for 350 feet at U. S. Route 50 and 71st street near East St. Louis.

Hurt On Bridge Today

Joseph Thomas Mulrooney, 47, Maplewood, Mo., was injured at 11:18 a.m. today on the McKinley Bridge when his westbound car hit the eastern end of bridge column supports.

Taken by ambulance to St. Elizabeth Hospital, he was treated for cuts to the face and chin and was transferred to the St. Louis City Hospital.

2 Hurt At Crossing

Two Quad-Cityans suffered minor injuries about 1:30 a.m. Sunday in a half-mile east of Granite City. Treated at St. Elizabeth Hospital were Donald Valencia, 17, of 1833 Spruce

HUB OF FOUNTAIN being constructed in Memorial Park, opposite St. Elizabeth Hospital, where work is progressing in the hope of completing the memorial by mid-June. Concrete forms had not yet been removed in this view, but plumbers were at work inside the hub placing

pipes and fittings. In the background near intersection of Niedringhaus avenue and 21st street, city employees are shown completing the pouring of new concrete sidewalks which will surround the triangular-shaped park.

Boys On School Roof

Police were summoned to the old Logan school on Logan street about 1:20 p.m. Sunday on a complaint that a group of boys was on the roof. The boys, who had gone to the roof to retrieve a ball, were ordered down.

One-Year-Old Child Hurt

A small child suffered bruises and abrasions Friday afternoon when the auto in which he was riding was involved in a two-car crash at 19th and Benton streets.

The child was David Schrader, one-year-old, of 2940 Denver street.

Charges were placed against both motorists by police. Bonnie Schrader, 35, of 2940 Denver street, in whose auto the small boy was riding, was charged with operating a motor vehicle without a driver's license and released on \$10 cash bail. She was given emergency treatment at the hospital.

The other driver, Thomas E. Nevels, 64, of 1722 State street, was charged with failure to yield right-of-way and released on \$11 cash bail. Police said the crash was going west on 19th street, while Nevels was driving north on Benton street.

Woman Motorist Hurt

A charge of failure to yield right-of-way was placed against Opal M. Barnes, 39, of 1226 Madison avenue, who suffered minor injuries Sunday evening in a two-car accident at Faith and Buxton avenues.

Police said the Barnes auto, which was traveling west on Faith avenue, spun completely around after the crash. The other auto was being driven north on Buxton by Joseph J. Ignatz, 44, of 2723 Sunset drive.

Minor injuries were suffered Thursday evening by Sharon Burns, 16, of 2940 Myrtle avenue, who was a passenger in an auto involved in a two-car accident in the 2400 block of Delmar avenue.

Police said she was riding with Larry P. Burns, 17, also of 2940 Myrtle avenue, who was driving north and making a right turn into a driveway. The other auto was being driven north by Gale D. Crane, 18, of 2546 Washington avenue.

Motorist Fined \$85

Fines totaling \$85 were imposed Saturday on William E. Rains, 20, of 2401 Illinois avenue, who pleaded guilty before Police Magistrate Gasparovic to charges of reckless driving, driving in the wrong lane and passing a red traffic signal on Friday night. His auto was involved in an accident at 20th street and Madison avenue in which a St. Louis woman was hurt.

Police said Rains was traveling north and was passing in the third lane, when he struck an auto being driven south by Harry H. Stanton, 60, of St. Louis, who was stopped for a red signal. Injured was Anna Stanton, who was given emergency treatment here before being transferred to a St. Louis hospital. She suffered head injuries and bruises to her left arm and right leg.

Emergency Surgery

Miss Sharon Reinhardt, daughter of Mr. and Mrs. Elmer Reinhardt, 2805 Iowa street, underwent an emergency appendectomy Sunday at St. Elizabeth Hospital. She is a member of the current graduating class at Granite City high school.

Hit-Run Accident

William B. Gilliam, 26, of 1207 Twenty-second street, reported to Granite City police Sunday morning that the left side of his car was damaged after being struck by a hit-run motorist. Gilliam said the accident occurred while his auto was parked in front of his home. Police were told the hit-run vehicle bore a Missouri license plate.

Shoplifting Charge

A Madison boy, 14, was arrested on a shoplifting charge at 11:45 a.m. Friday after he was caught taking a 39-cent water pistol from the Ben Franklin store, Third street and Madison avenue. He was referred to the city youth officer.

Crash On Madison Ave.

Involved in an accident early Friday morning at 20th street and Madison avenue were autos driven by Kenneth Netgen of the Granite City Engineer Depot, and Richard Frey, 2805 Fortune drive.

YMCA To Offer Its Most Extensive Summer Youth Recreation Program

The most extensive summer recreation program for youngsters ever planned by the YMCA will be offered to boys and girls during June, July and August by the "Y" youth department.

Included will be camping trips, gymnasium classes, swimming, roller skating, handcraft, sewing and physical fitness programs, plus optional features which include a jet plane sightseeing trip over the metropolitan area, hikes, movies, tours of Grant's Farm and the Chevrolet assembly plant in St. Louis and attendance at a major league baseball game.

Complete information on the summer program is available at the YMCA, where registrations for the program are being accepted today through Saturday. Registration hours through Friday are 1 to 7 p.m., on Saturday 10 a.m. to 4 p.m.

The regular activities are open to youth department members who have paid the \$9 registration fee. New members also are being accepted, and their fee will be filled on a first-come, first-served basis, according to Jim Reinhardt of the youth department.

Register By Phone
Participants will be admitted to the program through brochures which have been distributed by the YMCA may register by telephone by calling TR 6-7200 or TR 6-7201, and asking for the youth department.

Most of the regular summer activities will begin the week of June 12. They include gym classes, gymnastics classes, volleyball and roller skating for both boys and girls, and sewing and handcraft classes for girls. Most are followed by dips in the YMCA swimming pool.

Swimming classes, the major activity, will include instructional and recreational swims for beginner through advanced swimmers. These will be reserved for open and family swimming.

A special event, "package deal" also is being offered. It includes a jet plane sightseeing trip, a tour of Grant's Farm and the Chevrolet assembly plant, a hike to the Chain of Rocks canal locks and tour of the Chevrolet assembly plant in St. Louis and attendance at a major league baseball game.

The special events also may be attended separately for a nominal fee. A jet plane sightseeing trip, originating at Lambert Municipal Airport, is scheduled for July 8 at a cost of \$4 per person. The night will give passengers an aerial view of St. Louis, the Quad-City area, Alton, St. Charles and St. Louis.

A camp for girls is being offered for the first time, and will be held at Camp Lakewood near Potosi, Mo., Aug. 14-26. The cost is \$55, and includes transportation to and from the camp.

Boys' camping will be held at Camp Plana near Graton June 17-17, at a total cost of \$21. A beginners' art class will be held at the YMCA for six weeks beginning June 20 at a cost of \$1.50, which includes all supplies with the exception of drawing boards which are to be furnished by students.

Each phase of the local summer program will be directed by qualified members of the YMCA youth department staff. These also are under the direction of YMCA personnel. All out-of-town trips and tours will be fully supervised, Reinhardt added.

Madison Baptist Moves Ahead In Church League
Madison Baptist has a clear-cut lead in the Church South Pitch softball league today after pinning a 1-1 defeat on Good Shepherd Friday night at Wilson Park.

In their action Bethel Community broke into the win column for the first time, handing Community Heights its first setback, 12-3, in a game abbreviated to five innings by rain.

Larry Martin pitched six innings of shutout softball for Madison Baptist in the first game. He was aided by a double play by Martin and Ed Williams. The losers scored a single run in the top of the seventh to avert a shutout.

The Baptists collected 17 hits, including round-trippers by Ira Martin, Bob Page and catcher Charles Stanfill. Martin's home run was his second in as many games. The losing pitcher was Bud Layton.

Bethel Community jumped on Community Heights' starter Glen Warrick for seven runs in the second inning and added four more in the fourth. The winners broke the tie with a pair of runs in the fourth.

For Bethel, R. E. Doolin connected for his second homer of the season, one of 12 hits managed by the winners off pitching pitcher Warfield. Pitcher Doolin pitched a seven-inning shutout.

The Church league standings:
Team W L GB
Bethel Community 1 0 0
Club Delmar 1 0 0
K of C 1 1 1/2
Extremities 1 1 1/2

Kelly Girls Grab First In Twilight Loop, 12-11

The Kelly Girls of Venice took over undisputed possession of first place in the Girls' Twilight Softball league Thursday night at Lee Park with a come-from-behind 12-11 victory over the Collinsville Rockettes.

"Pop" Meyer's team now owns a 3-0 league record while the Rockettes are 4-1.

Joan Masera started for Kelly, but was trailing 8-2 when relief pitcher Sandy Klaas came on in the fourth. Venice tied the game with an eight-run outburst in the bottom of the seventh, only to have the visitors regain the lead in the top of the eighth on Sue Sidwell's second home run of the game.

Angelia Ungar, who paced Kelly with four hits, whalloped a two-run double in the bottom half of the eighth to break up the game.

Karen Rowe, who started for the Rockettes, was in command until the seventh when Venice tied it up. Reliever Bonnie Yost was charged with the loss.

The Kelly Girls host Livingston at Lee Park Thursday. Game time is 8 p.m.

YMCA Reschedules Track And Field Meet For June 19

A track and field day for boys and girls, originally scheduled in May but postponed because of rain, will be held Thursday at 8:30 p.m. at the Sportsman's Club, which will be the host of the team.

Meanwhile, 14 other teams in the loop are continuing practice sessions at four diamonds, all of which are in playing condition waiting for an additional Atom division entry.

Three softball games are scheduled Wednesday night at Wilson Park in the expanded Senior Teenage league, which had three entries a week ago but now claims six.

In the 6-30 opener, Roca Gold chapter will face Rick's Market. At 7:35, Roca Black chapter will play against Sacred Heart, and in the windup game at 8:40 it will be Bowland Lanes vs. the YMCA. There will be an hour time limit on all Teenage contests.

Granite City, Tiles Divide Four-Game Series; Phillips, Grote Get Credit For Wins

Granite City's Class AA softball club and the visiting Tiles of Springfield, Mo., played to a standoff in a four-game weekend series here, dividing doubleheaders on Saturday and Sunday at Wilson Park.

The Tiles captured the first game Saturday night by a 9-3 score, Granite City won the nightcap 5-4. Pounding a 1-0 score, Granite City won the first game Sunday afternoon's first game, and GC chalked up a squeaker of its own in the fourth and final contest, 2-1.

Allen McCann, ace of the Tiles' mound staff, blanked Granite City for six innings of the first game Saturday night, and his teammates collected 12 hits in the only runaway victory for Granite City.

Smith was the loser, with Herb Wilson behind the plate. Hoppy Briggs collected a triple for Home of the Blues.

Cotton's was awarded a forfeit win over Tubby's.

Grote Gets First Win
Norm Grote, in his first start for GC, got credit for the win.

Relay Team Sets Record In GC HS Soph Track Meet
The 880-yard relay team composed of Jim Cavanaugh, Dave Coakley, Richard Frozelle and Ray Voss established a new record Thursday afternoon during the running of the sixth annual sophomore intramural "Olympic" track meet at Granite City senior high school.

Competitors in the 10 track and field events were members of Granite City and the local club owns a 3-2 verdict over Wednesday's opponents in the teams' only previous meeting this year.

The first five place finishers in each event received ribbons. The winners:
50-yard dash — Mike McCormick, 06:4.
100-yard dash — Jim Cavanaugh, 11:5.
220-yard dash — Pat Causey, 28:4.
440-yard dash — Bill Lerman, 1:00:5.
880-yard run — Charles Page, 2:23:7.
1600-yard run — Jim Cavanaugh, Dave Coakley, Richard Frizzell and Ray Voss, 1:46:7. (new record — old record 1:47:7 set in 1959).

High jump — Leroy Donohue, 5-4; broad jump — Bob Smith, 17-5; junior shot put — Richard Oster, 45-5; 120-yard low hurdles — Richard Hahn and Richard Frizzell (tie), 18:1.

Purdue's Terry Dischinger led the Big Ten basketball race in scoring the last two seasons.

Madison Khoury Loop Still Short One Atom Team
The search continues in Madison for at least one additional Atom division league baseball team.

Madison summer recreation Director Bob Page said an Atom team, which would be led by boys aged seven through 15, is delaying the opening bid to Madison's boys' baseball season in all age groups—Atom, Bantam, Mid-Juniors and Senior Teenage—because schedules for regular season play cannot be drawn up until the exact status of participating teams is known.

Prospective managers or sponsors of Atom division teams are being asked to call Page at TR 6-7157. A meeting of all Khoury managers will be held Thursday at 8:30 p.m. at the Sportsman's Club, which will be the host of the team.

Meanwhile, 14 other teams in the loop are continuing practice sessions at four diamonds, all of which are in playing condition waiting for an additional Atom division entry.

Three softball games are scheduled Wednesday night at Wilson Park in the expanded Senior Teenage league, which had three entries a week ago but now claims six.

In the 6-30 opener, Roca Gold chapter will face Rick's Market. At 7:35, Roca Black chapter will play against Sacred Heart, and in the windup game at 8:40 it will be Bowland Lanes vs. the YMCA. There will be an hour time limit on all Teenage contests.

Hearts Snap I-C Losing Streak; Mercer Wins Again

Rains Stars In Relief As Boosters Stumble, 4-3

SATURDAY
Collinsville 8, Troy 4

SUNDAY
Sacred Heart 4, Collinsville 3

Mercer 7, White City 2

McAtee Glass 9, Pocahontas 4

Moore Lodge 4, Troy 2

Carpenter 6, Maryville 3

Getting their first well-placed game since the opening day of the season, Granite City's Sacred Hearts snapped a four-game losing streak by surprising Collinsville's Boosters at Fletcher field yesterday afternoon, 4-3 in an Inter-City Baseball league encounter.

Heroes of the Hearts' second win of the current campaign were John Rains, who twirled scoreless baseball for four innings, and Bob Price, who drove in Sacred Heart's first major and scored what proved to be the winning run in the eighth when he crossed the plate on a wild pitch.

In an important game at Wilson Park between Mercer and Poca, the White City team got a key hit from John Modrusic in a 7-2 victory over the visitors and won it up to them for second place.

Division Leaders Win

Leaders in both divisions maintain that nobody gets ahead, however. Moore Lodge No. 4 of East St. Louis scored its seventh straight victory over the visitors, 4-1, in a game at Fletcher field. The help of several costly errors and a home run by Glass of East St. Louis had too much power for Pocahontas, 4-1. The Boosters managed a split in weekend baseball activity. They handed Troy an 8-4 defeat in a makeup game Saturday night at Fletcher Field. Carpenter was a 5-3 winner over Maryville in Sunday's fifth 1-0 contest, breaking a four-game losing streak.

At Collinsville Sunday, Phil Hogan gave up a two-run home to the Boosters' Chuck Jones in the first inning, and turned things over to Rains in the second with one more run scored and nobody out. Rains escaped unscathed, and then limited Collinsville to four hits in the last seven innings to record his first victory of the year.

Price doubled home Jim McKeehan, who had walked, in the Sacred Heart half of the first, and Larry Diak's double scored him to tie the game. Both Price and Jones had walks in the fifth to tie the game. Both Price and Jones had walks in the fifth to tie the game.

Price scored the clincher in the eighth when he singled, stole second, advanced to third on a sacrifice and scored when loser Charles Gulickson uncorked a wild pitch.

The Hearts had nine hits, including two each by Price, Diak and Bob Simpson. Both of Simpson's hits were doubles.

Timely Triples

Timely extra-base hits by Mercer led to victory in the last game at Wilson Park. Jerry McCarthy tripled in the Mercer fifth, with two mates already on base. McCarthy's triple scored the winning run on Ron Diak's single. Catcher Rudy got an RBI single in the sixth, and Charlie Johnson and Dick Portell had singled.

Lesing Fletcher Bill Mihele hit a wild streak in the eighth, walking Portell, Diak and Buerle, and Modrusic unleashed his game-clinching triple.

Two Runs On Homer

Buente, the winner, was in trouble only once. He gave up a leadoff single to Bob Plank in the fifth, and on a late Roger Kratochvil unloaded a two-run homer.

Plank tripled to lead off the visitors' sixth, but was out at the plate trying to stretch it on an extra base on a fine throw from Johannmeier to Modrusic to Diak.

Modrusic and Parnley, with two hits between them, drove in five runs. Mercer is now 4-3 and Sacred Heart 2-4.

Innocent Pleadings

Entered On 7 Counts

Pleadings of innocent were entered on several occasions this morning by Marvin Mefford, 34, of 1413 Second street, who was arrested about 10:30 a.m. at Kirkpatrick Homes. He was released on \$800 personal bond for a hearing scheduled for 10 a.m. on the future of the Main street and Kerr street auto-railroad car line.

Thousands Watch Legion District's Musical Parade

Thousands of Quad-Cityans lined the parade route late yesterday afternoon to watch one of the most musical parades ever staged by a veteran organization. It highlighted the American Legion's annual 22nd district convention, which had its headquarters at the Tri-Cities Legion Post 113 home, 24th street and Madison avenue.

Along with color guard marching units from Legion posts in the Madison-Bond-St. Clair-Monroe counties district, there were marchers from the Wood River Girls' drill team, Knights of Columbus Council 1088, drum majorettes and Veterans of Foreign Wars 307. Legionnaires. Several Legion Auxiliary units also were among the marching units.

The musical units included the Granite City high school band, Black Knights high school band, Aired Temple Shriners, the Crusaders of Millstadt, the St. Louis Post Office Rebels and St. Louis Devils.

The Granite City Engineer Depot entered two floats featuring a Nike missile and the 100-year-old restored Civil War cannons. Vehicles also were entered by the Granite City Civil Defense unit and the Legion posts.

Harris Press

A. Burt Harris of Post 113, retiring district commander, said between 250 and 300 delegates attended yesterday's session, with 1500 to 2000 visitors. A member of the local post, gave the address of welcome.

The following officers were named: Walter Spindler of Belleville, district commander; Howard Mathus of Wood River, senior vice-commander, and Frederick Erick of Millstadt, junior vice-commander.

Three accidents were reported on 10 days, two on seven days, one on seven days and four days on which no accidents were reported.

The "accidentless" days included Memorial Day last Tuesday and Thursday the 4th, Monday the 22nd and Tuesday the 23rd.

Warrants Planned To Enforce Venice Building Laws

Venice Building Inspector Art Abbott was instructed at Friday night's Venice city council meeting to seek police support when necessary to enforce the city building laws. Mayor John Lee asked that he sign warrants, and Police Chief Frank McWhitt pledged support.

The topic arose after Fourth Ward Alderman William Griggs modeled a structure being remodeled near Sell and Logan streets and Abbott said it does not conform to the requirements and that the owner has not sought a building permit.

With First Ward Alderman Harry Buente reporting the need for street repairs on Bremen street, near Sell and Logan streets, and Kerr street, the council asked that oil and fine rocks be obtained and used for repaving.

Dr. Lee reported that the street department was carrying out and insect fogging Friday evening.

First Ward Alderman James Baker said that the city is in need of new street lights along Broadway, which is expected to be completed by the end of the year.

City Clerk William Ebersold said the Illinois Highway division has approved the installation of new lights over the Broadway viaduct.

Mrs. Jessie Geppert of the Venice Homes notified the city that she will seek damages from the city and Illinois Terminal Railroad for head, back and spine injuries suffered May 16 when a car in which she was riding collided with an ITR engine on the McKinley Bridge.

Seek Hearing

Dr. Lee said a 30-day continuance is being sought from the Illinois Commerce Commission on a hearing scheduled for 10 a.m. on the future of the Main street and Kerr street auto-railroad car line.

Meter Income During May Highest For Year -- \$4213

Granite City's parking meter income during May, amounting to \$4213, was the highest in a year—since the \$4416 revenue in May 1960.

Last month's income, which included \$3914 collected from the meters and \$298 paid in fines by violators, averaged \$152 for each day's operation. The amount of fines also was the highest recorded since May 1960, when the amount was \$310.

Meter revenue for the year now totals \$137,981, slightly under the \$137,981 in the same five-month period in 1960.

A breakdown of the meter income by months this year follows: January—\$3933, February—\$3300, March—\$3309, April—\$3345, and May—\$4213.

Bonds Total \$137 On Two Traffic Charges

Charges of leaving the scene of an accident and driving while under the influence of liquor were placed against Elmer Ross, 45, of 2661 Iowa street, who was arrested Saturday afternoon by Granite City police a short time after a hit-run accident was reported in the 2300 block of Edwards street.

Police were notified at 3:20 p.m. by David Reynolds, 25, of 2224 Edwards street, that the left rear of his parked car was damaged. Ross was later released on \$137 cash bail for a hearing.

Auto Making U-Turn Causes Two-Car Crash

A U-turn by an unidentified motorist was blamed for a two-car crash about 11:25 p.m. Friday at 24th street and Madison avenue.

Sharon Neneith, 20, of 2909 Saratoga avenue, who was going north, told police she was forced to apply her brakes quickly and her auto skidded on wet pavement into the southbound auto of Samuel Akeman, 22, of 2428 Bryan avenue. No injuries were listed.

Warrants Planned To Enforce Venice Building Laws

Venice Building Inspector Art Abbott was instructed at Friday night's Venice city council meeting to seek police support when necessary to enforce the city building laws. Mayor John Lee asked that he sign warrants, and Police Chief Frank McWhitt pledged support.

The topic arose after Fourth Ward Alderman William Griggs modeled a structure being remodeled near Sell and Logan streets and Abbott said it does not conform to the requirements and that the owner has not sought a building permit.

With First Ward Alderman Harry Buente reporting the need for street repairs on Bremen street, near Sell and Logan streets, and Kerr street, the council asked that oil and fine rocks be obtained and used for repaving.

Dr. Lee reported that the street department was carrying out and insect fogging Friday evening.

First Ward Alderman James Baker said that the city is in need of new street lights along Broadway, which is expected to be completed by the end of the year.

City Clerk William Ebersold said the Illinois Highway division has approved the installation of new lights over the Broadway viaduct.

Mrs. Jessie Geppert of the Venice Homes notified the city that she will seek damages from the city and Illinois Terminal Railroad for head, back and spine injuries suffered May 16 when a car in which she was riding collided with an ITR engine on the McKinley Bridge.

Seek Hearing

Dr. Lee said a 30-day continuance is being sought from the Illinois Commerce Commission on a hearing scheduled for 10 a.m. on the future of the Main street and Kerr street auto-railroad car line.

More time is needed to complete a topographical map and a hearing scheduled for 10 a.m. on the future of the Main street and Kerr street auto-railroad car line.

As the council acted on bills for the Venice Homes, the mayor explained that Chief DeWitt and Assistant Chief John Estington are being paid at their former captain and sergeant rates until passage of an ordinance creating the department's new organizational structure. They will be repaid retroactively to the date of appointment in May, he added.

First Magistrate Report

A May police report submitted jointly by DeWitt and former Chief Robert Tower listed 179 arrests and fines totaling \$1865.

An initial monthly report from the hearing scheduled for 10 a.m. on the future of the Main street and Kerr street auto-railroad car line.

wards showed the \$1865 in fines and \$50 in warrant and bond fees all turned over to the city treasury.

A treasury report for May showed a previous balance of \$35,852, receipts of \$10,426, expenditures of \$26,138.

The council purchased a new 30-stamp postage meter for the city council room from Jack Tolliver, Jerry Bartlett and Roger Schaefer.

Boy Scout Troop One and Ricky Reidler, Phillips Daniels and the city Rump of Cub Scout Zach One, in connection with the unit's current flag sales project, smaller flags for youngsters, \$4, were sold to individuals.

When you are packing fast into measuring cup, do so with a firm hand so there will be no smaller flags for youngsters, \$4, were sold to individuals.

Respectfully yours, MRS. SYLVIA WILLIAMS

'58er Four-H Club Meeting Theme Is 'Citizenship'

The 58ers Four-H Club met Thursday afternoon in the Youth Center of St. John United Church of Christ on Nantook road.

Designated as a "Citizenship" meeting, it opened with pledges to the American and Four-H flags and the national anthem. Talks were in keeping with the theme of the day. Sara Rivenburgh spoke on "What Democracy Means"; Marilyn Bonagard discussed "The United States Flag"; and "Duties and Responsibilities of Citizens" was the topic of a talk by Linda Buford. Gail Forshee reported on "The United Nations and Its Functions," and Gail Hamilton reviewed the history of Granite City. The final topic was "Citizenship," by Karen Bonagard.

Victor Koenig and Ted Todoroff of the Civil Defense office discussed a new film on "Fallout" and a question and answer period followed.

Quia Mullen presided at the meeting and reported more than 200 posters distributed and displayed by 20 members in the recent safety poster contest.

After the meeting adjourned, Cindy Willard, Judy Barylake and Janice Allman served refreshments to 37 members and 17 guests.

The next meeting will take place June 15.

Scrum-Graham Nuptials At First Baptist On Saturday

Bouquets of white chrysanthemums and gladioli against a background of greenery decorated the sanctuary of First Baptist Church Saturday evening for the wedding of Miss Betty Graham and George Scrum. Lighted candles in branched candelabra, together with candles burning in the aisles, illuminated the church for the 8 o'clock ceremony performed by Rev. George Sagen.

Mrs. Frances Harding, organist, accompanied the soloist, Mrs. Mary Lou Bueger, of St. Louis, who sang "Always," "Wonderful One" and the Lord's Prayer, and played the wedding march and recessional.

The bride was given in marriage by her father, John W. Graham of Gallup, N. M. She chose a gown of white silk organza. The molded bodice, with a pointed lace waist, had short sleeves and a scoop neckline and appliques of taffeta trimmed the neck and sleeves. Her train of silk illusion was secured to a wreath of waxed orange blossoms and she carried a cascade bouquet of white roses with a removable cascade.

Mrs. June Lux, a sister of the bride, as matron of honor, and another sister, Mrs. Florence Petrovich, and Mrs. Jenny Park, bridesmaids, were dressed alike in ballerina-length gowns of white silk organza over taffeta. The fitted bodices were styled with scoop necks and tiny cap sleeves. The drape-shaped skirts with unpressed pleats fell from contoured cummerbunds caught at the center front with large organza roses. Circlet headpieces of organza roses with circular veils completed their costumes and they held cascades of red roses tied with red ribbon.

Little Kathy Petrovich, the bride's niece, was attired in a floor-length frock of white organza over net patterned after the dresses of the older attendants. A circlet of orange blossoms and a veil covered her hair and she carried a basket of rose petals.

Also in the wedding party were the triplet nephews of the bride, Geoffrey Lux, as escort for the flower girl, and Gregory and Timothy Lux, who carried the rings.

Theodore Scrum was with his brother's best man, and another brother, Joseph Scrum, with Louis Colone and the bride's two male ushers.

After the tour there were treats for the group which included Mary Anne Christoff, Barbara Fichte, Vickie Hogan, Donna Kelahan, Annie Killoran, Nancy Kramer, Sandra Lucido, Susan Lucido, Pamela McDonald, Anna Marie McGrath, Marie Siebert, Donna Smith, Kathy Spahn, Jean Killoran and Mike Killoran.

The Past Noble Grand Club of Juana Rebeck Lodge 477 met Thursday evening at the IOOF hall with Mrs. Edith Rhodes presiding.

Plans were made to visit the home of Miss Eleanor Patterson. Hostesses were Mrs. Eula Meyer, Mrs. Abbie Fox, Mrs. Gusta Pendleton and Mrs. Edna Nightwine.

CIRCLE MAKES BAZAAR PLANS

Mrs. James Williams, leader, was hostess to the Ruth Circle of Niedringhaus Memorial Methodist Church Thursday evening.

The first meeting of the new church year was held in the Williams home, 3716 Johnson road, with 15 members and two guests present. The guests were Mrs. Janice Cooper and her husband, Tameka.

Devotions were given by Mrs. Glenn Wolfe and the group spent some time discussing plans for the annual bazaar to be held in the fall at the next meeting, June 6 in the home of Mrs. George Vogeler, 2208 Adams avenue. The members will work on bazaar items.

A card was signed by all of the members present to be sent to one of the group who is ill.

GIRL SCOUTS TOUR FIRE STATION

Girl Scout Troop 143 of Sacred Heart school, with their leaders, Mrs. Virginia Killoran, and co-leader, Mrs. Jeanne Lucido, enjoyed a tour of the Granite City fire station Thursday afternoon.

This was the final meeting of the school year.

After the tour there were treats for the group which included Mary Anne Christoff, Barbara Fichte, Vickie Hogan, Donna Kelahan, Annie Killoran, Nancy Kramer, Sandra Lucido, Susan Lucido, Pamela McDonald, Anna Marie McGrath, Marie Siebert, Donna Smith, Kathy Spahn, Jean Killoran and Mike Killoran.

Robeff-Cook Nuptial Ceremony Held Saturday

Miss Carol Annette Cook and Louis Robeff were married Saturday afternoon in an informal ceremony taking place at the parsonage of St. Zion General Baptist Church on Benton street with the Rev. Truman Collins, pastor, officiating at three o'clock.

The bride, a daughter of Mrs. Edna Cook, 3849 "B" street, had as her only attendant Mrs. Pauline Nixon. James Jackson was best man for Mr. Robeff, whose mother is Mrs. Victoria Robeff, 2306 Washington avenue.

For her wedding, the former Miss Cook wore a street-length dress of white silk, subtly made with a scoop neck, cap sleeves and a shirred bodice. The skirt was full and a short veil was held in place with a crown. A white orchid corsage complemented her costume. Mrs. Nixon chose a light blue cotton dress and a feather headpiece of beige with a cymbidium orchid corsage. A dinner for the wedding party and the families was held at the home of the bride.

The bride's bridesmaids were law and sister, Mr. and Mrs. Frank Terrell, 3856 "B" street and the newlyweds left later for a honeymoon in Daytona Beach and other Florida cities. When they return they will reside at 1209 Twenty-second street. Both are employed in the offices of the Granite City Steel Co.

PARTY FOR OCTAGON BRIDGE CLUB

Mrs. Owen Davis, 2101 Ponton road, was hostess to the Octagon Bridge Club Thursday evening.

All of the members attended and honors went to Mrs. Frank Griffith, Mrs. Alvin Michel and Mrs. Joseph Coleman.

The next meeting will be held June 22 in the home of Mrs. Griffith, 2610 Jordan avenue.

Surprise Shower For Mrs. Parker

A surprise cradle shower honoring Mrs. Marilyn Koenig Parker was given Friday evening in the parlors of Grace Baptist Church, 2900 Edwards street, by Mrs. Martha Miles and Mrs. Peggy Cunningham.

Decorations of pink and blue were used and favors were in keeping with the occasion. Games were enjoyed and refreshments were served to approximately 45 guests. Prizes were awarded to Mrs. Shirley Millikin, Mrs. Margaret Miles, Mrs. Audrey Sperry and Mrs. Myrtle Ryan.

FRED YOUR LITERATURE AT HOLIDAY SERVICE

During the business hour reports of committees and departments were given and Mrs. Cann reported on a box sent to the Veterans Hospital at Dwight, Ill.

The program was in charge of Mrs. Ella Green, flower mission secretary, who gave an outline of flower mission work. Mrs. Van Best read several Scripture passages on flowers and Mrs. R. L. Miller had a poem entitled "Grandmother's Flower Garden."

Mrs. Pearl Kean offered the closing prayer and the remainder of the afternoon was spent in arranging bouquets to be sent to the sick and shut-ins and in making calls. Flowers are brought to the meeting by the members on this day annually and 25 bouquets were assembled Friday.

ATTENDING GRADUATION

Mr. and Mrs. David H. Thomas, 2549 State street, with their son, David, are in Decatur, Ill., today to attend the graduation from Millikin University of their daughter, Miss Megan Thomas. Accompanying them are Mrs. Thomas' parents, Mr. and Mrs. T. E. Hassell of Troy, and Ben Thomas of this city.

Area Traffic Injury Toll Passes 300 Mark

More than 300 persons already have suffered non-fatal injuries in Quad-City area traffic accidents this year, a review covering the first five months showed today.

The Jan. 1-May 31 tabulation revealed 691 accidents with 313 people hurt and 14 killed. None represents a record, but each is close to it.

The 691 mishaps were topped previously only in 1937, with 720, and in 1960, with 719. The 313 injuries exceed all years except 1939, when there were 315 through the first five months.

And the 14 fatalities equal the January-May tolls in 1934 and 1956 and are one below the 15 registered in 1937.

Last year, January-May totals were 719, 300 and six.

Monthly averages so far this year are 128 crashes, 62 injuries and three deaths.

Four Fatalities In May

Contributing to the five-month figures were the May statistics of 118 collisions, 64 hurt and four killed.

May Traffic In Quad-Cities

	Acci-	In-	De-
	dents	juries	aths
1961	118	64	4
1960	124	69	3
1959	149	79	0
1958	150	47	1
1957	135	72	1
1956	143	41	3
1955	118	53	0
1954	81	43	2
1953	78	31	1

Those fatally injured were John Mowery, 67, of 2030 Alexander street, who died May 10 after being struck by an auto May 9 while walking on State Route 162 south of East 23rd street; Mary Nacy, 14, of 906 Grand avenue, Madison, killed May 13 when an auto in which she was riding overturned down the embankment at "dead man's curve" on Route 67a south of Madison; Roy Horton Roush,

19, of 2605 Missouri avenue, who died May 20 when his auto was involved in a two-car crash on State Route 13 near Murphysboro; and William L. Coffman, 83, of 2104 Bryan avenue, killed May 24 when an auto struck him while he was looking off a parking lot in the 2000 block of Illinois avenue.

Never before had four Quad-City fatalities occurred during May, the previous high of three being reached in May 1956 and 1960.

Deaths Could Exceed 50

At the present rates, the year would end with 33 deaths, 751 injuries and 1638 accidents, compared to 19, 805 and 1751 in 1960.

However, the rates tend to increase toward the end of each year as traffic volume rises and bad weather becomes more frequent.

Previous June records indicate a reduction in the accident, injury and death tolls for this month. One major exception was June 1953, when eight fatalities occurred.

Four Children Hurt In Minor Mishaps Yesterday

Nancy Rapoff, five-year-old daughter of Mr. and Mrs. Andrew Rapoff, 2535 Edison avenue, was struck in the mouth by a ball bat and sustained a cut on her lower lip. She received four stitches at 7:10 p.m. yesterday at St. Elizabeth Hospital and was released.

Darwin Nash, three-year-old son of Mr. and Mrs. Robert L. Nash, 608 Pillmore street, Yonkers, was bitten on the thumb by a pet rabbit and received inoculations.

Vicki McCollum, four-year-old daughter of Mr. and Mrs. James McCollum, 2518 Terminal avenue, was struck on the forehead by a tin can and received four stitches.

Ronald King, 11, son of Mr. and Mrs. Edward King, 2648 Iowa street, was hit in the forehead with a rock at a softball diamond at Wilson Park, sustaining a small cut. Two stitches were taken at 5:25 p.m. yesterday.

Charge Filed After Crash

A charge of failure to yield right-of-way was placed against Elsie M. Schulte, 42, of Overland, Mo., who was operating a truck south on Cleveland boulevard and was involved in an accident Saturday morning with an auto being driven west on 21st street by Carolyn J. Cholewicki, 19, of 2125 Pontoon road. The Missouri woman was released on \$11 cash bail. No injuries were listed.

Go-Cart Complaint

Police, who received a complaint about 9 p.m. Thursday that a youngster was operating a motorized go-cart in the street along Saratoga avenue, advised the youth's parents that the machines are not to be operated on city streets or sidewalks.

Girl, 12, Caring For Deserted Baby Birds

Brenda O'Dell, 12, found three newly-hatched sparrows on her way home from school some 10 days ago and her feathered friends are growing plump and content under her care.

The daughter of Mr. and Mrs. Herman O'Dell, 100 State street, Madison, the girl has been meeting the demands of her always hungry pets by feeding them worms, bread crumbs, canary seeds and going as far as to give them water at regular intervals with an eyedropper. Whenever she hears the harmonious chirping, little Brenda knows its meal time.

When she found the baby birds in a nest along an alley, they had no feathers and appeared to be waiting for their first meal.

A sixth grade student at Louis Baer school, Brenda took them under her wing and kept them alive. They have grown feathers, added a few ounces and are dashing about their box containing a nest in preparation for solo flights.

Brenda says she is going to let them go when they are ready to fly, figuring that when they are ready to become parents, they won't desert their babies. She said she hasn't seen any signs of the mother bird searching for her offspring.

Dogs Crossing Highway Banned For Accident

A motorist who applied her brakes to avoid hitting a pack of dogs crossing the roadway was involved in an accident Sunday morning on Namekoi road at Sycamore avenue.

Theresa Sudholt, 36, of 1745 Primrose avenue, told police she was traveling south when forced to stop for the dogs. The rear of her auto was struck by a car driven south by Edward E. Broyles, 38, of 1841 Spring avenue. No injuries were listed.

Funeral arrangements are given in the obituary column.

Auto-Truck Accident

An auto driven by Betty Boyer, 28, of 205 Paradise lane was damaged Sunday morning when struck by the left rear wheel of the trailer of a tractor-trailer truck operated by John Manita, 45, of Belleville, at the junction of U.S. Bypass 66-40 and Route 3 at Mitchell. State police said there were no injuries. The mishap occurred as the westbound Boyer car was stopped at a stop sign and the truck was making a left turn.

Auto Hits Power Pole

Robert J. Swiatek, 25, of 2314 Lincoln avenue, escaped injury about 4 a.m. Saturday when his auto crashed into a power pole at 10th and State streets. He told Madison police he was driving west on 10th and making a right turn onto State when he misjudged the distance and hit the pole.

SOCIETY

OES 432 Honors Brothers, Fathers

New Hope Chapter 432, Order of Eastern Star, honored "brothers and fathers" of the chapter in connection with a meeting Friday evening at the Masonic Temple.

The guests of honor were escorted and greeted in song by a trio composed of Mrs. Ann L. Mueller, Mrs. Augusta McKisick and Mrs. Jennie McElroy. Mrs. Roberta Lester served as chairman of the event and several of the members were dressed in costumes of the "ray 80's" and the "roaring 20's."

Mrs. Florence Spahr, worthy matron of Granite Chapter, was introduced and seated in the East and a number of grand chapter committee members past matrons and past patrons were escorted and introduced.

Refreshments were served in the dining room to approximately 125 members and guests and the trio provided entertainment with appropriate songs. Prizes for outstanding costumes of the period were awarded to Mrs. McElroy, Mrs. Mary Baggett and Mrs. Louise Thompson.

Mrs. Lou Anderson served as dining room chairman for the affair.

Initiation ceremonies are to be held at the June 16 meeting. Mrs. Bess Weiss is worthy matron and Adolph Weiss is worthy patron of the chapter.

Motil Boys Are Honored At Party

Michael Motil, nine years old, and his brother, Ronnie, five, shared honors at a birthday party given by their parents, Mr. and Mrs. Mike Motil Jr., at their home, 2648 Lincoln avenue, Saturday afternoon.

The affair was held on the lawn and the guests attending were John Harizal, Larry Larkins, Philip Sheridan, Anthony Gardner, Alan Pieper, Mark Ezele, Danny Sussler, Danny Donna and Ricky Mooshegan, Mr. and Mrs. William Steiner, Mr. and Mrs. Steve Yonorsky, Mr. and Mrs. Leonard Gnojewski, Mr. and Mrs. Pete Wagner, the latter couple from Staunton.

Reception Held For Miss Field

Miss Nadine Field, daughter of Mr. and Mrs. Harry Field of Edward street, who was confirmed recently at the Brith Shalom Congregation in St. Louis, was guest of honor at a luncheon and reception, given by her parents Sunday at the Rose Bowl.

Approximately 100 guests attended, many of them from St. Louis.

Mrs. Field received her guests in an olive green silk sheath dress and an orchid corsage.

The entire confirmation service of Miss Field's class was telecast on a St. Louis station Sunday morning.

SANCTUARY CHORUS ENDS SEASON

Mrs. Mary Ann Harris and Mrs. Gwen Cass were hostesses to the Sanctuary Chorus of First United Presbyterian Church at the last meeting of the season Saturday evening in the church parlors.

The meeting opened with prayer by Mrs. George Holtzsch, and Mrs. Peggy Malone, president, conducted the business discussion, during which plans were made for a pot luck supper in connection with the opening meeting in the fall.

The group celebrated the birthday of the choir director, Mrs. Virginia Moore, and the hostesses served refreshments to 26, including two guests, Rev. and Mrs. David Maxton.

DORCAS CIRCLE HOLDS MEETING

Mrs. Charlotte Temple entertained the Dorcas Circle of the Nidringhaus Memorial Methodist Church Thursday afternoon in the lounge of the church.

A dessert luncheon was served to nine members and the program following was conducted by Mrs. Woodie Lynn, leader. It opened with a circle of prayer and during the business discussion plans were made for the coming year, including the annual bazaar in the autumn.

The meeting, the last of the season, closed with prayer by Mrs. Mary Alvord, the regular prayer leader.

A pre-medical science major, he was a member of the third largest graduating class in the school's history—440.

CROWNING DANCE FOR TWILIGHT YOUTH CLUB

Hazel Mary Knapowski was crowned queen and David Hubert of East St. Louis was crowned king of the Twilight Youth Club of Madison at the final session of the season Friday night.

The group of young boys and girls gathers twice a month at the Polish hall with Mrs. Lucille Broyles and Mrs. Betty Sabol in charge. Birthdays of the members are observed and dance numbers taught by the leaders. Several parents attend and assist the leaders. Mrs. Broyles and Mrs. Sabol have been meeting with the group for the past three years.

The hall was appropriately decorated for the crowning. The chairs were covered in white with the hall decorated with white streamers and a runner in the aisle where the queen and attendants walked. The meeting opened with Jack Miller introducing Fr. Sylvester Mikulski, who gave a short talk.

Attendees were first attendant, Jean Tutka, who was escorted by Fr. Drolowski; second attendant, Sharon Banasek, escorted by David Tutka; third attendant, Cecelia Krawicki, escorted by Arthur Ratkiewicz; fourth attendant, Marilyn Schweitzer, escorted by Fr. Honerkamp; and fifth attendant, Janet Bertochi, with Jimmy Zerkowicki played the accordion as the group proceeded up the white carpet to have Fr. Mike crown the queen and king. Mrs. Broyles pinned corsages on the attendants while Mrs. Sabol pinned boutonnieres on the escorts. Each was presented with a gift by Allen Ratkiewicz and Fr. Mike.

The queen received a bouquet of long-stemmed white roses as she was crowned. The crowns were on white satin-covered pillows, with Patty Steiner and Gregory Sabol carrying them. Mrs. Wambach presented Mrs. Sabol and Mrs. Broyles with corsages. The remainder of the evening was spent dancing, with David Hubert and Casimir Krawicki playing several dance selections on the accordion.

Cake, soda and coffee were served to 142 which included members of the club from the

EDITORIAL

Busy Month Facing State Legislature

It should be an interesting month. With 2412 bills introduced and only 187 passed during the first five months of the biennial state legislative session, many items of unfinished business confront the Illinois General Assembly in June. A later special session is possible, but there will be a major effort to complete work by June 30, since special meetings automatically require two-thirds instead of a simple majority for passage of bills.

While Illinois residents do not need or expect 2000 new laws, much new legislation is likely. Concentration currently is centered on a sales tax increase, Congressional reapportionment, constitutional revision, economic development proposals and higher minimum firemen and police wages.

The state sales tax boost—a cornerstone of proposed spending plans—and a completely unnecessary city sales tax increase, are drawing heavy opposition with a local delegation among those fighting the plans as harmful to the public and to business firms located near state lines. Another tax proposal making headway is a road bill that would limit equalized property assessment to 55% of full value, the approximate level now in effect, instead of 100%.

All in all, the senators and representatives face a busy period. We hope that despite the heavy workload, they will be able to remain alert to the needs, rights and well-being of the public.

Series By Pastors Among New Press-Record Services

Beginning this week on the editorial page is a weekly feature, "The Pastor Speaks," which will afford a means for local pastors to present inspirational thoughts and comments to Quad-Cityans. Combined with the editorial column and readers' views in the Forum, the series will contribute to the local interchange of information and opinion.

Establishment of this new service conforms to the Press-Record's goal of constantly seeking a better and more complete newspaper. A new series on legal questions, informative articles on surveys and reports affecting this area, attention to new state legislation and study and interpretation of varied local, county, state and national issues are but a few of the "extras" provided for the Press-Record's more than 16,500 readers.

Three Area Men Discussed As U. S. Senate Candidates

When 1962 rolls around, Illinois Republicans presumably will nominate Everett Dirksen, U. S. Senate minority leader, for another term as senator. Already, the guessing game has started on Democratic nominees, with Chicago's Mayor Daley singing out Illinois House Speaker Paul Powell, and Sen. Douglas recommending Powell and three residents of the local bi-county area—Cong. Melvin Price, Rep. Paul Simon and Irving Dillard, University of Illinois board member.

While it seems a little early for such a game of musical chairs to begin, the speculation casts a spotlight on the three Illinois Metropolitan Area residents and their activities, and is flattering to this region. What other area can boast of three potential candidates for membership in the nation's "most exclusive club?"

Budget Allocations Key Step In United Fund Program

Unselfish service by volunteers is an inseparable part of the local United Fund, and of welfare programs everywhere. An example of such service is the scheduled contribution of 50 man-hours by the 15-member Admissions and Distribution Committee this spring. The committee's assignment ranks next to the actual fund-raising in importance, and has a major effect on the drive and its potential for success.

In examining budget requests of UF agencies and non-members, the group has the challenge of arriving at a fair division of the funds and a feasible drive goal. By doing its work well, it can assure the public that its dollars will be used in the best possible manner, going only for essential and non-duplicating functions.

Such work by the committee can guarantee an impartial hearing for the agencies seeking 1962 UF grants, and can aid the thousands of clients, members and beneficiaries by eliciting maximum benefits from the community's united giving.

New York Study Offers Hope Of Coordinated Regional Growth Here

Importance of proper land use, a satisfactory transportation system and a regional growth plan are largely ignored, at least publicly, pointed out by the study of New York metropolitan area planning needs, published in the National Civic Review and reprinted in the Press-Record.

With programs currently in progress to establish zoning for Madison county, revamp the existing transit system and create a regional body to express the Illinois Metropolitan Area's views, the article is timely.

It is interesting to note that another population center has expansion problems that roughly parallel those of this area. The similarity, and New York's success up to this point, offer encouragement that plans followed by programs to guide regional growth, can and will provide the solution here.

Chemical Warfare Could Be More Effective Than Bombs

With all the talk about such "ultimate" weapons as intercontinental missiles with nuclear warheads, it is interesting to note that chemical and germ warfare are largely ignored, at least publicly. Potentially more effective than hydrogen missiles and bombs, chemical war has been taboo because it is so "terrible." But world war I opponents used it, and some world war II participants were on the verge of employing it, and we cannot believe that Communists would fail to use it in the event of an other war if they felt it would make the difference between victory and defeat.

Progress, if it can be called that, has made chemical and biological warfare easier, much more deadly and at the same time more humane in some of its forms. Coupled with the devastating effect of such weapons as fire bombs and heavily radioactive nuclear detonations, gas and its variations by comparison no longer seem quite so bad. We earnestly hope and pray that world war III will never come; it probably would not be civilization as we know it today. But with the other military safeguards, chemical preparedness—with emphasis on the non-crippling, non-lethal types—may well afford extra security for the free world.

THE PASTOR SPEAKS

By Howard E. White
Pastor, First Baptist Church

The Psalmist wrote: "This is the day which the Lord hath made; we will rejoice and be glad in it." One day at a time. The Psalmist is saying this is all we have, and it is all we need.

In the first place, a day at a time is all we have. It is foolish to worry about tomorrow, for we don't know if we will have a tomorrow to worry about. There is a parable told by Gene Bartlett, of the philosophical clock. The clock was worried about the future. It thought about all that was ahead. Its job was of course, to tick, twice every second. That would be 120 times every minute, which would be 7200 times every hour. And 7200 times every hour would be the day, that's 172,800 ticks a day. This would mean more than 63,000 ticks every year. And, thought the clock, if I stayed on the job for only ten years, that would be 630,000,000 ticks. At this the clock collapsed from nervous exhaustion. But, later, when it came to it, it thought foolishly it had been, for it had ticked only one at a time. And it was reported the philosophical clock was going strong after twenty-five years.

This is God's plan for us—that we do our ticking one day at a time, for this is all we have. Also, one day at a time is not only all we have, but it is all we need. If the main purpose of life is to find God, then one day at a time is the only way to find Him. "This is the day, . . . let us rejoice and be glad in it." (Ps. 118:24 R.S.V.) Let us not let it pass without coming close to God.

But how can we come close to God? We can come close to God by heeding the message of the Bible. Yes, read God's Holy Word. Take one step at a time and live one day at a time for really this is all we have. And, if it is all we need, "This is the day which the Lord hath made; let us rejoice and be glad in it."

BARBECUE PARTY The young married people Sunday school group from Tri-City Park church, enjoyed a barbecue supper Saturday night at the home of Mr. and Mrs. Elvin James of Vought street.

MRS. SHIFTER HOSTESS The Tri-City Park Quilting club met Wednesday with Mrs. Mildred Shifter, 1700 Sixth street.

Breakfast was served to Mesdames Stella Krusec, Katherine Orris, Catherine Kunkin, Elizabeth Suchic and Bernice Kutz. The day was spent doing handicraft projects. The week's hostess was Mrs. Catherine Orris of Meridian street.

BOAT EXCURSION A pentecost boat cruise was enjoyed on the Adams river by a group of 122 from Tri-City Park Tabernacle.

Mr. and Mrs. George Stages and daughter, Darla Renee, and Mrs. Leona Lyons left Saturday morning for a week's vacation in the Elgin, Mich. Canada and Niagara Falls.

In Detroit they will visit Mr. and Mrs. Richard Lyons and family and enroute home they plan to visit Rev. and Mrs. Bill Raiford of Indianapolis.

Rev. and Mrs. R. D. Shaw of Chicago, Ill., spent the holiday last week in Galesburg, returning home Wednesday. Robert Shaw, Jr., will be with grandparents, Mr. and Mrs. John James for a visit of several weeks.

Mr. and Mrs. Nick Picile of East 80th street and Mrs. John Picile and son, Benny, have returned home from a few days visit in Chicago and Gary, Ind., with relatives, Mr. and Mrs. John Cozen and Mr. and Mrs. Sam Segam.

Mr. and Mrs. Jim D. Coleman and children, Leroy, Doris and Irvin, of Clarksville, Tenn., are visiting Mr. and Mrs. Ryan Coleman and family and Mr. and Mrs. Dale Boyer of Dale avenue.

Mr. and Mrs. Carl Cucuetti and daughter, Tony, and Betty Kay Gerling spent the weekend in Pinckneyville visiting relatives.

Seaman Amos Coleman, son of Mr. and Mrs. Ryan Coleman, returned last week to his base for duty at Long Beach, Calif., after visiting home a few days.

David Milton, son of Mrs. Marie Milton, was in from Central Bible Institute, Springfield, Mo.

Two Fined Under New Madison Ticket System Uniform arrest tickets, issued by patrolmen under a system recently approved by the Madison city council, were given to traffic violators Thursday and Friday.

Donald W. Wallace, 25, of 2100 Cleveland blvd., was fined preliminary hearing on an illegal parking charge and paid a \$5 fine in police magistrate court Friday and Otha Alford, 49, of 118 Terry street, Eagle Park Acres, paid a \$1 overtime parking fine.

Final Dates Set For Free Chest X-rays Here

Final dates for free chest x-rays in the Quad-Cities area are set for June 16 and 17 at the City hall, in Granite City, according to Mrs. Betty McClintock, executive secretary of the Madison county Tuberculosis Association.

The mobile unit will be here from 9 a.m. to 5 p.m. on the first day and from 9 a.m. to noon and 1 p.m. to 5 p.m. on the following day. The x-rays were given to several hundred persons at the Bellemore Village shopping center on Friday and Saturday, and 125 persons took advantage of the service Thursday in Venice.

At two places in Madison on May 18 and on May 30, 638 x-rays were given. The program, started April 17, will close June 17 in the county. It is financed by the sale of Christmas seals.

Last year, 3477 persons took the x-rays in the local area, with 600 registered in Madison, 224 in Venice, 1579 in Bellemore Village and 1074 in Granite City. In addition to discovering early cases of tuberculosis, the x-rays are also valuable in finding signs of cancer and heart conditions, Mrs. McClintock said.

Final Dates Set For Free Chest X-rays Here

Final dates for free chest x-rays in the Quad-Cities area are set for June 16 and 17 at the City hall, in Granite City, according to Mrs. Betty McClintock, executive secretary of the Madison county Tuberculosis Association.

The mobile unit will be here from 9 a.m. to 5 p.m. on the first day and from 9 a.m. to noon and 1 p.m. to 5 p.m. on the following day. The x-rays were given to several hundred persons at the Bellemore Village shopping center on Friday and Saturday, and 125 persons took advantage of the service Thursday in Venice.

At two places in Madison on May 18 and on May 30, 638 x-rays were given. The program, started April 17, will close June 17 in the county. It is financed by the sale of Christmas seals.

Last year, 3477 persons took the x-rays in the local area, with 600 registered in Madison, 224 in Venice, 1579 in Bellemore Village and 1074 in Granite City. In addition to discovering early cases of tuberculosis, the x-rays are also valuable in finding signs of cancer and heart conditions, Mrs. McClintock said.

Miss Joanne Linder Becomes Bride Of Wilbur J. Kerman

The wedding of Miss Joanne Linder, a daughter of Mr. and Mrs. David Linder of 8739 W. Kingsbury, University City, formerly of this city, and Wilbur J. Kerman, 808 W. Wacker drive, Clayton, took place Sunday at Shaare Zedek Temple in St. Louis. The ceremony was performed by Rabbi Edman Epstein at 8 p.m. and the bride's parents gave a reception directly afterward.

The Temple decorations were concentrated at the altar which was flanked with arrangements of woodvanda fern and baskets of pink flowers. A picture frame canopy of flowers shading from pink to orchid tones centered the setting and triple hurricane candelabra holding pink candles entwined with garlands of fern were fastened to the pews with pink satin bows. Lining the aisles leading to the altar, the bride's sister-in-law, the bride's mother, and the bride's aunt, all in long, flowing, light-colored gowns of silk organza and re-embroidered Alencon lace, the bride's mother was wearing a scalloped sash and a necklace edged with lace and studded with white redstone and seed pearls. Small cap sleeves were of the same lace. Beaded lace motifs were applied on the front of the bodice and smaller appliques were strewn throughout the full, bouffant skirt. The lace was used again to frame the hem flowing in the chapel train and down the apron effect in back. A four-tiered silk illusion bouffant veil was held in place with a rhinestone pearl crown and the bride carried a cascade bouquet of three white orchids, stephanotis, and moth orchids with puffs of white net from which fell a shower of satin ribbons.

Mrs. Daniel Linder, the bride's sister-in-law, was matron of honor and other attendants were Miss Roberta Teyer of Ladue, Miss Evelyn Salkey of Memphis, Tenn., at which wedding in August Mrs. Kerman will be a bridesmaid. They were dressed alike in white organza over shades of blue and lilac. Out-to-scoop necklines, the dresses had short sleeves and bouffant skirts trimmed with three wide bands of Irish linen lace. The sashes of the bride were tied in Old bows at the side front and the bridesmaids' of pleated organza in matching colors and shades of the same shades completed the costumes. They held colonial bouquets of blue and pink carnations with ferns and pink satin ribbon streamers.

Mrs. Kerman asked his brother Jack L. Kerman to serve as best man. They are sons of Mr. and Mrs. Ben Kerman of Clayton. Daniel Linder, the bride's brother; Louis Deall, a brother-in-law of the bridegroom, and Henry Edinger served as groomsmen. The usher corps consisted of:

MR. AND MRS. JAMES DONALD TOWNZEN, who were married Saturday evening at Niedringhaus Memorial Methodist Church. The bride is the former Patricia Patton, a daughter of Mr. and Mrs. William L. Patton, 3510 Terrace lane.

Miss Patricia Patton And Jas. Townzen Wed Saturday

Miss Patricia Patton became the bride of James Donald Townzen Saturday evening at Niedringhaus Memorial Methodist Church. Rev. Verne Barnett officiated at the 7:30 ceremony.

The bride is a daughter of Mr. and Mrs. William L. Patton, 3510 Terrace lane. Mr. Townzen's parents are Mr. and Mrs. Robert Townzen, 4901 Carl avenue.

Emerald arrangements, together with altar bouquets of white gladioli, decorated the sanctuary lighted with candles in branched candelabra at the altar and with aisle candelabra, the latter adorned with white satin bows and feathery fern. The bride wore a gown of white with a train and a full skirt. The groom wore a tuxedo with a white shirt and a bow tie. The wedding was held in the Wesley Hall of the church directly after the service and the couple left later for the Lake of the Ozarks. They will be at home after June 10 at 2219 East 23rd street.

The former Miss Patton graduated from the Granite City high school in 1960 and attended the University of Illinois for one semester. She is employed in the accounting department of the Union Starch & Refining Co. Mr. Townzen graduated from Granite City high in 1959 and is employed by the A & P Supermarket.

Gilbert & Sullivan

'Music Under The Stars' Programs In June, July

"Music Under the Stars" programs will be presented for the fourth consecutive season this summer in Wilson Park by the Granite City park district. It was announced today by Musical Director Warren G. Simpkins, vocal and instrumental solo and a new feature, a community sing. The park district will employ a newly acquired director to flash the words of songs on a screen on the stage, and the audience will be led in the singing.

A wide variety of favorites by Simpkins. The chorus will be heard in selections from various musical shows, and is currently holding rehearsals each Tuesday and Thursday at 7:30 p.m. in room 133 at the Granite City high school. Simpkins said all former members of the chorus and new members are welcome to attend. A "Gilbert and Sullivan Review" has been chosen as the second presentation this summer, and will be staged at the outdoor theater on July 27 and 28.

Selections from "HMS Pinafore," "The Pirates of Penzance," "Rudigere" and "The Mikado" will be included on the program. Simpkins said. All "Music Under the Stars" programs will be presented at 8 p.m., and are open to the public free of charge.

OFFICERS INSTALLED
BY MOTHERS' CLUB

The Mothers' club met Thursday night at the Lincoln Place community center on Niedringhaus avenue.

Those present were Mrs. Mary Andria, Mrs. Victoria Robbers, Mrs. Cynthia Antoff, Mrs. A. Kuruz, Mrs. Alice Dineff, Mrs. Josephine Vangel, Mrs. Anna Velloff, Mrs. Raylene McLaughlin, Mrs. Angie Skerle and Mrs. Helen Simpson.

The members installed new officers. Those elected or re-elected were Mrs. Velloff, president; Mrs. Simpson, recording secretary; Mrs. Antoff, corresponding secretary; and Mrs. Kuruz, treasurer.

Refreshments were served by Mrs. Shirley Yerra and Mrs. Velloff. Games were played, and the main prize was won by Matosian. Mrs. Kuruz, Mrs. Vangel and Mrs. Dineff were other winners of prizes.

Mudge Warns Bingo At Homecomings Illegal

A warning that playing of bingo for cash prizes is a violation of state law, and that violators will be prosecuted was repeated last week at Edwardsville by the State's Atty. Dick H. Mudge Jr.

Mudge had issued an initial warning several weeks ago to the sheriff and mayors and police chiefs in Madison county and repeated the warning, adding that the season of homecomings and other celebrations is arriving.

"I want to caution the management of the forthcoming homecomings and similar observances throughout the county this summer that the playing of bingo for money or prizes is a violation of state law," Mudge remarked that since many of the celebrations are in commemoration of national holidays and patriotic occasions, the managers should observe the law.

"Any violations will not go unnoticed and any manager who is observed to be in violation of the law with respect to bingo-playing will be prosecuted," he said.

Richard Judd To Sing In Myny Opera Chorus

Richard Judd, son of Mr. and Mrs. Francis Judd, 1711 Garfield street, has been selected for the 42-voice chorus of the 1959-60 season.

A business administration major, 19-year-old Judd is a member of St. Louis Chorophonic Society and is a 1959 graduate of Assumption high school, East St. Louis.

At the high school he was a member of the marching band for four years and was president of the band group his senior year.

He has received voice training from Mrs. Alabette Sumner, who operates at the city hall in St. Louis, with whom he studied for four years.

Further discussion is expected at tonight's Granite City council meeting on a \$1594 tractor repair bill approved for payment at the May 22 session.

Scholarship Granted For Teacher Education

George T. Wilkins, superintendent of public instruction, has announced that Miss Connie Clark, June 1960, graduate of Granite City high school, has been awarded a teacher education scholarship.

The scholarship entitles her to participation in teacher training at one of five state universities—Southern Illinois, Northern Illinois, Southern Illinois, Eastern Illinois, or Western Illinois. The award was made possible by the transfer of a previously awarded scholarship originally assigned to another candidate.

Grants 4 Divorces Here On Saturday

Four divorces were granted in city court there Saturday morning by Judge Fred E. Schuman. Charging cruelty, Janet Cortez, was divorced from Edward Cortez, married on Dec. 10, 1955, the couple separated on Nov. 15, 1960. The plaintiff was granted custody of two minor children.

William T. Wells was divorced from Alice Wells on the grounds of desertion. The couple married on July 23, 1952, and separated on April 15, 1960. Custody of two minor children was granted the defendant.

On grounds of cruelty, Barbara Bush was granted a divorce from Jerry Eugene Bush, who was given custody of a city-owned quest hut that the couple married on Nov. 11, 1959, and separated last April 4.

Cub Leader Instruction

First instruction for den mothers and program on "Harpers, Stations and Airports" will be presented at a monthly Unit club scout leaders' meeting at 7:30 tonight at the Carpenter's hall.

George Edward Tompkins was divorced from Frances Lorraine Tompkins Saturday on the grounds of desertion. The couple married on Sept. 21, 1951, and separated on Nov. 1, 1953. Custody of two minor children was granted the defendant.

Faces Charge

Harry H. McMillan, 25, of 2216 Lee avenue, was arrested Friday afternoon by Granite City police on a complaint of assault and battery filed by Francis Ann McMillan. He was freed on \$16 cash bail.

Several objections were raised during the May 22 session, but the payment was approved by vote of 12-to-4. A meeting was to have been arranged with Pashea to discuss the payment and possible deduction of the amount owed to the city, but through Friday it had not been held.

Mower Injures Man
James Warnack, 32, Rural Route One, sustained a deep cut in his right leg while operating a rotary lawn mower at his home. The blade of the mower pushed a rock against his leg, it was reported. Eight stitches were taken at 8 p.m. Thursday at St. Elizabeth Hospital and he was released.

President of the corporation is Ralph A. Morris II; vice-president A. W. Morris III, and A. W. Morris Jr., secretary-treasurer.

Circulation At Madison Library Hits New High

Circulation at the Madison City library jumped to an all-time high during the 1960-61 fiscal year, which ended April 30, according to a yearly report by Mrs. Catherine Cox, librarian. Some 1534 borrowers checked out 43,399 volumes, an increase of 15,780 from the previous year, the report showed.

Total number of books in the library was listed as 11,334. There were 69 children's recordings and 5827 periodicals. A total of 186 books was taken out circulation and 454 books were added, with 45 borrowed from other libraries. Periodicals totaling 875 were removed from the shelves and 60 new periodicals were added.

The report showed the library sponsored a children's story hour during the year; another is scheduled for the current year. A financial report listed a balance of \$2771 at the end of the year, and a year balance of \$3023, from which \$252 is to be deducted when outstanding checks are paid.

Total receipts were \$12,294 and there was \$2827 left over from the 1959-60 year. Total operating expense was listed as \$12,350.

Madison Permits Exceed \$16,000

Construction valued at a total of \$16,240 was authorized in Madison during May, a month in which City Commissioner E. J. Miller showed today. Nine permits were issued.

Largest of the projects is a new brick veneer dwelling to be built by George Novich at 7444 Second street at a cost of \$8000. The 28x35-foot structure will contain four rooms and a concrete basement.

Walter O. Cook, 1805 Fourth street, plans new aluminum siding costing \$2200; Jesse Smith, 1619 Second street, insulated siding, \$3000; and Wilbur Walker, 1615 Third street, new siding and general repairs, \$1590.

A 12x24-foot frame garage costing \$700 is planned by John Billick, 721 Iowa street, and a \$300 garage and driveway are planned by Stanley Sadzalski, 1600 Second street. Emmett Patterson, 1418 Fourth street, will build a 12x12-foot storage shed costing \$250.

Additions by Art L. Wilkerson, 1224 Alton avenue, and John Mangoff, 1025 Madison avenue, were authorized. Wilkerson plans a one-room hallway and porch addition to a frame building at a cost of \$500. Mangoff obtained a permit for a 4x10-foot brick addition valued at \$300.

Motorcycle, Car Collide

The front of a motorcycle being operated east on Edwardsville road by Ernest E. Grant, 24, Rosana, collided at 7:30 p.m. Thursday with the right side of the auto of James E. Trammell, 61, of 2020 Beckwith street, Madison, who was going east on Edwardsville road and making a right turn onto McNair avenue. The motorcycle continued on and slightly bent a street sign post, Madison police said. No injuries were reported.

Charged With Speeding

A charge of speeding at 21st street and Russell avenue was placed against Edward Woods, 24, of 2031 Russell avenue, who was issued an arrest ticket Saturday morning.

Charge Placed Against Motorist In Accident

A charge of following too closely was placed against Edwin Smith, 51, of 811 Grand avenue, Madison, after a two-car accident Friday evening on Madison avenue at 26th street. He posted his driver's license as bond.

A passenger in his car, Mary Smith, also of 811 Grand avenue, was charged by police with drunkenness, using profane language and refusing to obey an officer. She was freed on \$48 cash bail for a hearing today.

Police said Smith was traveling south and crashed into the rear of the southbound auto of Emma L. Worthen, 35, of 2021 Lee avenue, who was forced to slow down because of a pedestrian. No injuries were listed.

Madison Library Story Hour Begins Tomorrow

The first of a weekly series of story hours will be held from 1 p.m. to 2 p.m. tomorrow at the Madison public library with a tour of the building, Mrs. Catherine Cox, librarian, said today.

The tour is to acquaint students from kindergarten through the fourth grade with facilities of the library. The story hour will be held Tuesdays during June and July, Mrs. Cox said.

"She said that future sessions will contain two 11-minute movies, playing of recordings and stories are to be narrated. The program will be conducted by Mrs. Cox and Mrs. Blanche Revelle, assistant librarian. The movies are being obtained through the state library.
